There has been no recruitment of regular coaches in SAI since 1994. In the year 1997, there were 1600 coaches borne on SAI establishment. The number of coaches had gone down due to retirements.

(b) and (c) In the months of June and July, 2005 about 700 coaches were redeployed from ineffective placements which were mostly district coaching centers that were not under the administrative control of SAI. The coaches were redeployed to look after SAI run schemes and increase the number of trainees with SAI. These coaches did not belong to Sports Federations but were paid employees of SAI.

(d) SAI does not have the details of the vacancies of Coaches in Andhra Pradesh with the Federations but recently the Finance Committee of SAl has allowed SAI to appoint coaches on contract basis. The process of recruitment has started and soon the coaches will be appointed only in

the disciplines where there is a shortage of coaches in relation with trainees in high performance disciplines.
